

OSR™

ORGANIC STAIN REMOVER

✓ MOLD ✓ BLOOD ✓ VOMIT ✓ URINE ✓ & MORE!

www.greasemagic.com

Grease Magic OSR is a specially formulated organic stain remover designed to remove tough organic stains resulting from microbial growth, vomit, urine, blood, tea, cola, tannin, coffee, fruit juice, red wine, and more! Use **OSR** on building materials, carpet, textiles, tile, outdoor furniture, plastic, vinyl, and more!

Directions for Use:

1. Spray Grease Magic OSR full strength directly on stained area.
2. Stain removal will begin to occur instantly. You may allow an extra 3-8 hours of dwell time to fully remove spot or stain.
3. Carpet: optional step: flush/extract product from carpeting.
4. Building materials/plastic/vinyl: stained area will begin to foam once sprayed. Rinse with water or HEPA vac foam away. Continue spraying. Repeat until foaming stops. This means all organic material has been degraded.

If OSR comes into contact with dry grass, plant materials, dry wood surfaces, or other dry organic materials, surface should be wet down with water to prevent rapid oxidation and heat damage to surrounding areas. KEEP OSR TIGHTLY SEALED IN A COOL DARK PLACE. ALWAYS PRE TEST. DO NOT USE ON NATURAL FIBERS.

WARNING: Harmful if swallowed. Harmful in contact with skin. Causes skin irritation. Causes serious eye irritation.

INGREDIENTS: Hydrogen Peroxide (CAS #7722-84-1)

PRECAUTIONARY STATEMENTS: Wear protective gloves/protective clothing/eye protection/face protection. Take off contaminated clothing and wash before reuse. Do not eat, drink or smoke when using this product. Dispose of contents/container in accordance with federal, state, and/or local regulations. Wash thoroughly after handling. **IF ON SKIN:** Wash with soap and water. If skin irritation occurs: Get medical advice/attention. **IF SWALLOWED:** Call a POISON CENTER or doctor/physician if you feel unwell. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do- continue rinsing. If eye irritation persists get medical advice/attention. **FIRST AID: EYE CONTACT:** Check for and remove contact lenses. Immediately flush eyes with plenty of water for at least 15 minutes, occasionally lifting the upper and lower eyelids. Get medical attention immediately. **SKIN CONTACT:** Wash skin surfaces thoroughly after contact. Wash clothing and clean shoes thoroughly before reuse. Get medical attention if irritation develops.

INGESTION: Wash out mouth with water. Do not induce vomiting unless directed to do so by medical personnel. Never give anything by mouth to an unconscious person. Get medical attention immediately.
