

BiolockTM
 Extreme Odor Destroying Technology
SEWAGE - SKUNK - FIRE/SMOKE - DECAY - TRAUMA
 From the makers of Grease Magic®

Biolock Extreme Odor Destroying Technology

Quadruple Action Binding, Bonding, Encapsulating, and Absorbing Deodorizer

Biolock technology is the process of binding, bonding, encapsulating, and absorbing odors at the molecule. Biolock will eliminate harsh odors such as sewage, skunk spray, fire & smoke, urine, decay, trauma, and more! Biolock can be sprayed, mopped, or fogged, and can be used on most water-safe surfaces and colorfast fabrics. Biolock is scientifically designed for use in all malodor situations, from mild to severe. Highly concentrated: dilute according to the following directions.

1 oz/gal	6 oz/gal	8 oz/gal	12 oz/gal	16 oz/gal
Laundry Light Odors Musty Smell Auto	Upholstery Food Odors Wet Dog	Plumbing Mopping Carpet Urine/Feces Strong Pet Odor	Mold Nicotine Cat Urine Cat Spray	Smoke/Soot Skunk Sewer Trauma Decay

Binds • Bonds • Encapsulates • Absorbs • At the Molecule
 WATER BASED - NEUTRAL pH - SPRAY - MOP - COLD FOG - WIPE

FIRST AID/SAFETY INFORMATION

Keep out of reach of children. Do not mix with oxidizers or strong acids. Dispose in accordance with federal and state regulations. In Case of Fire: Use carbon dioxide, dry chemical or alcohol resistant foam. First Aid: If in eyes: Flush immediately with clear running water for 15 minutes. Remove contact lenses if possible and continue rinsing. Immediately call a POISON CONTROL center or physician. If swallowed: Drink large amounts of water. Call a POISON CONTROL center or seek medical attention. If inhaled: Remove to fresh air. Call POISON CONTROL center or seek medical advice. If on skin: Immediately remove contaminated clothing and wash before reuse. Rinse skin with clear water.
