DO NOT MIX WITH BLEACH, CAUSTICS, DISINFECTANTS, OR OTHER CHEMICALS. Read SDS and label before using this product.
Keep container closed. Do NOT handle or store near open flame, heat, or other sources of ignition. (Material can accumulate static charges which may cause an electrical spark (ignition source). Use proper bonding and/or grounding procedures). Avoid breathing fume and spray mist.
In case of inadequate ventilation wear respiratory protection. Do not eat, drink, or use tobacco while using this product.
Food products must be removed or carefully protected to prevent contamination. Wash hands thoroughly after handling.
Wear protective gloves and eye/face protection as specified by the supplier or the competent authority.
FIRST AID: If inhaled: Remove victim to fresh air and keep at rest in a position comfortable for breathing.
If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.
If eye irritation persists, get medical attention immediately. If Ingested: Immediately drink 1-2 glasses of water.
Wash out mouth thoroughly. DO NOT induce vomiting. Immediately call a POISON CENTER or physician.
If on skin: Gently wash with plenty of soap and water. If skin irritation occurs, get medical attention immediately.
IN CASE OF FIRE: Use water spray, foam, dry chemical powder, or carbon dioxide.
STORAGE & DISPOSAL: Handle and open containers with care. Do not store above 120°F for extended periods.
Keep container tightly closed in a cool, well ventilated place away from direct sunlight. Empty product containers may contain product residue.
Do not reuse container. Prevent liquid from entering surface waters and/or sewers. Dispose of contents and container according to the local, city, state and federal regulations. Harmful if inhaled. Harmful if swallowed. Causes eye irritation.

Rinse empty container and recycle
