MAGIC®**

# **MSR™**

**mold stain remover**  
**Professional Strength!**

[www.greasmagic.com](http://www.greasmagic.com)

Grease Magic MSR is a professional strength microbial stain remover with hypochlorite bleaching agents. Follow all safety precautions when using this product. MSR is designed to remove the darkest, toughest microbial stains from materials such as plywood, rafters, trusses, and other building materials. Simply spray this RTU product onto the stained material and watch stains disappear before your eyes! Note: all proper remediation processes in accordance with the IICRC S-520 should be followed prior to, and following, the use of this product. Grease Magic MSR does not replace source removal in the remediation process.

***DIRECTIONS FOR USE: READ SDS BEFORE USE. WEAR PROPER PPE. VENTILATE. DO NOT MIX.***

1. Shake container prior to use.
2. Apply MSR full strength (do not dilute) with a pump-up sprayer.
3. One gallon of MSR covers 150-500 square feet. Coverage will depend on stain load.
4. Please note that MSR should be applied to dry surfaces.

***DANGER: CORROSIVE! DO NOT USE ON METAL, CARPET, OR TEXTILES.***

**DANGER:** Causes severe skin burns and eye damage. Very toxic to aquatic life with long lasting effects.

**INGREDIENTS:** Hypochlorite Solution (CAS #7681-52-9)

**PRECAUTIONARY STATEMENTS:** Do not breathe dust/fume/gas/mist/vapors/spray. Wash any exposed body parts thoroughly after handling. Avoid release to the environment. Wear protective gloves/protective clothing/eye protection/face protection. If **swallowed:** Rinse mouth. Do NOT induce vomiting. If on **skin (or hair):** Remove/take off immediately all contaminated clothing. Rinse skin with water/shower. If **inhaled:** Remove victim to fresh air and keep at rest in a position comfortable for breathing. If in **eyes:** Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do - continue rinsing. Immediately call a POISON CENTER or doctor/physician. Collect spillage. **FIRST AID:** **Eye contact:** Check for and remove contact lenses. Immediately flush eyes with plenty of water for at least 15 minutes, occasionally lifting the upper and lower eyelids. Get medical attention immediately. **Skin contact:** Wash skin surfaces thoroughly after contact. Wash clothing and clean shoes thoroughly before reuse. Get medical attention if irritation develops. **Inhalation:** Move exposed person to fresh air. If breathing is irregular or if respiratory arrest occurs, provide artificial respiration or oxygen by trained personnel. Loosen clothing. Get medical attention immediately. **Ingestion:** Wash out mouth with water. Do not induce vomiting unless directed to do so by medical personnel. Never give anything by mouth to an unconscious person. Get medical attention immediately. Read Safety Data Sheet before using this product.
